Abstracts

Global Hangover Cure Products Market is valued approximately at USD 1.56 billion in 2020 and is anticipated to grow with a healthy growth rate of more than 14.60% over the forecast period 2021-2027. Growing awareness regarding anti-hangover products are expected to increase the demand in coming years due to rising preference for reducing alcohol consumption owing to growing obesity and other lifestyle-related diseases and increasing investment in hangover cure products by developers. According to Statista, obesity rates in United States adults has increased from 39.8% in 2015-16 to 42% in 2017-18. Also, consumption of alcoholic beverages in India has increased from 5.94 billion liters in 2018 to 6.53 billion liters in 2020. Additionally, in 2019, Cheers Health Inc., raised funding of USD 2.1 million for building its brand and upgrading products. Furthermore, research and development initiatives taken by market players to enhance product specifications and growing preference for herbal products are expected to fuel demand in coming years. However, growing cases of side effects owing to excess consumption may hamper the growth during forecast period.

Asia Pacific is the leading region in world market among Asia Pacific, North America, Europe, Latin America, and Rest of the World, and is also expected to grow with the fastest pace during forecast period. Growing awareness regarding alcohol detox products and growing trend of alcohol consumption is fueling demand in Asia Pacific market.
