Abstracts

Global Household Slicer Market is valued approximately at USD 325.57 million in 2020 and is anticipated to grow with a healthy growth rate of more than 5.50% over the forecast period 2021-2027. Growing trend of food blogging is fueling the demand in the market. Growing popularity of outdoor grilling, and ability to reduce the time consumed in preparation of various foods are the factors driving the growth of market.

Furthermore, growth in smart kitchens and technological advancements by the market players are expected to benefit the market in long run. For instance, according to Statista, revenue of smart kitchen market, which was USD 17.42 billion in 2020 is expected to reach USD 43.4 billion in 2027. However, rising trend of ordering food online may hamper the market in coming years.

North America is the leading region among Asia Pacific, North America, Europe, Latin America, and Rest of the World due to increasing demand for stylish, sleek and comfortable slicers. Whereas, Asia Pacific is expected to grow with the fastest pace during forecast period owing to growing penetration and accessibility of utility slicers in the residential sectors.
