Abstracts

Global Landscaping and Gardening Service Market is valued at approximately USD XXX billion in 2021 and is anticipated to grow with a healthy growth rate of more than XXX% over the forecast period 2022-2028. Landscaping Gardening is the practice of laying out parklands and other grounding areas in an ornamental manner or which imitates natural scenery. Thus, increasing demand for the Landscaping and Gardening in the market and increasing preference for gardening are factors contributing to the market growth. For instance: according to Statista, the gardening sales value is expected to go to USD 127 Billion, by the year end 2024 from USD 104 Billion, in the year 2020. Whereas, according to Thimble, the gardening services were USD 105 Billion, in the year 2021. However, Variations in the raw material prices and Unpredictable season impedes the growth of the market over the forecast period of 2022-2028. Also, changing lifestyle and rapid urbanization is likely to increase the growth of the market in the forecasting period.

The regional analysis of global Landscaping and Gardening Service market includes Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the leading region across the world in terms of market share owing to technological innovations Whereas, Asia Pacific is also anticipated to exhibit the highest growth rate over the forecast period 2022-2028. Rapid urbanization would create
