Abstracts

Global Luxury Travel Market is valued approximately USD 1980.72 billion in 2020 and is anticipated to grow with a healthy growth rate of more than 4.90 % over the forecast period 2021-2027. Traveling preference is growing as people embraces adventures thus, the demand for luxurious travelling increases. So, companies are planning unique holiday packages for customers which is customizable. It is a personalized service, which include reliable transport, exotic stays and many more. The increasing use of social media is driving the growth for the luxury travel market. For instance: as per Statista, May 2021, there are over 1 billion Instagram monthly active users worldwide. And the increase in luxury travel is increase as the millennials are eager to spend more. According to the Hospitality Net, consumers earning more than USD 100,000 or more are driving the growth for the luxury travel market in 2021 around 34% population of U.S. have booked a trip which was only 19% in 2020. Also, with the increasing digitalization the demand for luxury travel is likely to increase the market growth during the forecast period. However, luxury travel is expensive which impedes the growth of the market over the forecast period of 2021-2027.

The key regions considered for the global Luxury Travel market study includes Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the significant region across the world in terms of market share of luxury travel market

owing to the most popular tourist destination for people across the world which is keeping the region leader for the forecasted period. Whereas, Asia-Pacific is the fastest growing region market over the forecasted period. As the rise in spending power and improving the standard of living would create lucrative growth prospects for the Luxury Travel market across Asia-Pacific region.
