Abstracts

Global Paper Doilies Market is valued approximately USD XX million in 2021 and is anticipated to grow with a healthy growth rate of more than XX % over the forecast period 2022-2028. Paper Doilies can be defined as an ornamental mat, used for decoration applications in food service presentation. Doilies are largely made with paper and fabrics. Doilies are put on plates under food items such as cakes and sandwiches etc. It is also used for protecting table and plate surface from scratches. It is widely used across different end use segments such as Restaurants, Cafes, Ice Cream Parlors, Weddings and Functions, Institutions, and Offices among others. Growing Food Services Industry and increasing utilization in food decoration and presentation application as well as rising number of retail food outlets are key drivers for growth of Paper Doilies Market. For instance, according to Statista – In 2020, the global food service market was estimated at USD 3500 billion, this figure is estimated to show a CAGR of 2.7% from 2020 to 2027 and would reach to USD 4200 billion by end of 2027. Also, growing expansion of food services industry in emerging markets. And rising number of hotels and restaurants Chains are anticipated to act as a catalyzing factor for the market demand during the forecast period. However, a lack of awareness and popularity of paper doilies in developing countries and negative impact of covid 19

pandemic on dine- out restaurants impede the growth of the market over the forecast period of 2022-2028.

The key regions considered for the global Paper Doilies Market study include Asia Pacific, North America, Europe, Latin America, and the Rest of the World. North America is the leading region across the world in terms of market share owing to the growing trend of dining out and rising food services industry. Whereas, Asia Pacific is anticipated to exhibit a significant growth rate over the forecast period 2022-2028. Factors such as growing number of restaurants and hotel chains and presence of leading market players in the region, would create lucrative growth prospects for the Paper Doilies Market across the Asia Pacific region.
