## **Abstracts**

Global Recruitment Process Outsourcing Market is valued approximately USD XXX Billion in 2019 and is anticipated to grow with a healthy growth rate of more than XX% over the forecast period 2019-2026. Recruitment process outsourcing (RPO) is referred as business model where a company outsources the management of the recruitment function to a third-party expert to drive quality, service, efficiency and scalability benefits. The RPO are the providers act as an extension of a company's HR or resourcing function, sitting on site with the client providing a holistic hiring solution. Additionally, RPO enables necessary technology, staff and methodology which is needed to fulfill a client's recruitment requirement. The RPO saves additional timing and cost of an organization indulged in recruitment of personnel within an organization, due to such factors recruitment process outsourcing is expected to grow over the forecast years. For instance: as per Hudson RPO, RPO can reduce time to hire by 40 percent and deliver cost savings of more than 50 percent. Moreover, the increasing adoption of cloud and web-based services and software solutions are the factors propelling the growth of market over the forecast years. However, hidden cost associated with RPO is expected to hamper the growth of market over the forthcoming period.

The regional analysis of global Recruitment Process Outsourcing market is considered for the key regions such as Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the leading/significant region across the world in terms of market share owing to the rapid growth in adoption of cloud and web-based services & software solutions across the region for recruitment process. Whereas, Asia-Pacific is also anticipated to exhibit highest growth rate / CAGR over the forecast period 2020-2026. Factors such rising growth in newly graduated and post-graduate students population in the region would create lucrative growth prospects for the Recruitment Process Outsourcing market across Asia-Pacific region.
