Abstracts

Global Small Business Loan Market is valued approximately at USD XX billion in 2019 and is anticipated to grow with a growth rate of more XX % over the forecast period 2020-2027. Small Business Loan is the financial support service provided to the Small and Medium sized Entrepreneurs (SMEs) at feasible interest rates. These loans have less restrictive requirements enabling the small businesses to secure the funds at ease. SMEs account for a large share of economies in the emerging economies such as India, China and Japan. A rise in small and middle enterprises/firms (SMEs) has been observed which boosts the market growth of Small Business Loan market. For Instance: As per The World Bank on 2019, SMEs play major role in most economies majorly emerging once, creating employment opportunities and represent about 90% of businesses and 50% of the employment worldwide. Financial constraints allow SMEs to opt for Business Loans. Further, Government initiatives to promote the SME sector as it has a major contribution in the overall GDP growth of the developed and developing economies create opportunities in the market. For Instance: German Government enabled loan as per the size of the SME without risk assessment and 100% state guarantee in April 2020, as per the Federal Ministry for Economic Affairs and Energy (BMWi). Indian Government in 2020, promotes a scheme to train women entrepreneurs for handling businesses/enterprises as India has only 14 % women entrepreneurs. Moreover, Small Business loans generate opportunities for startups and new entrepreneurs to accelerate their business and support national as well as international GDPs. Also, immense growth has been observed in Fintech Startups promoting the market growth of Small Business Loan. As per Statista in 2019, 7.1 % is the share of

Fintech Startups worldwide. However, risks attained in repayment of the loans is the major factor restraining the growth of the market over the forecast period of 2020-2027.

The regional analysis of global Small Business Loan market is considered for the key regions such as Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the leading/significant region across the world owing to risk bearing capabilities and presence of developed economies in the region. Whereas, Asia-Pacific is also anticipated to exhibit highest growth rate / CAGR over the forecast period 2020-2027. Factors such as rise in the SME sector in emerging economies such as India and China would create lucrative growth prospects for the Small Business Loan market across Asia-Pacific region.
