Abstracts

Global Swimming Pool Market is valued at approximately USD XX billion in 2021 and is anticipated to grow with a healthy growth rate of more than XX % over the forecast period 2022-2029. Swimming Pool is a specific space that holds water in large quantities and can be used for swimming and other leisure activities. Also referred to as a swimming bath. These are concrete, stone, metal, or plastic. Some also use fiberglass and polyurethane foam. The Swimming Pool market is expanding because of factors such as the rising large-scale urbanization and the growing tourism sector.

According to the Our World in Data in 2019, around 4 billion people live in urban areas globally. Also, by 2050 more than two third of the global population will live in urban areas i.e. around 7 billion population. Whereas a rising number of hotels and growth activities by market players create lucrative opportunities for the market. However, higher installation and upkeep costs hamper the market growth throughout the forecast period of 2022-2029.

The key regions considered for the Global Swimming Pool Market study include Asia Pacific, North America, Europe, Latin America, and the Rest of the World. North America dominated the market in terms of revenue, owing to the increasing number of hotels, growing tourism, and population. Whereas the Asia Pacific is expected to grow with the highest CAGR during the forecast period, owing to factors such as increasing growth activities and penetration of market players.

Major market players included in this report are:

Val-Pak Products
Intex Recreation Corp.
Finish Thompson Inc
Hayward Pool Products Inc
Valterra Products Inc
Confer Plastics Inc
Therm Products
