Abstracts

Global Tangerine Essential Oil Market is valued approximately at USD XX Million in 2020 and is anticipated to grow with a healthy growth rate of more than XX% over the forecast period 2021-2027. Tangerine is a specie of orange fruit. The oil extracted from tangerine is used for healthy metabolism, digestion, healthy respiratory and immune system, relief from stress and others. The global Tangerine Essential Oil market is being driven by growing prevalence of anxiety among the young as well as old age population. For instance, according to the Statista, the share of population worldwide who suffered from depressive disorders has increased from 7.46 million in 2016 to 7.55 million 2017. The rise in introduction of new products by the companies is also driving the market. For instance, in 2019, Jeunesse launched new essential oil with exotic flavors such as tangerine, lemon, lavender and others under the brand name of E•VOK. Furthermore, the growing awareness about the health benefits of the Tangerine Essential Oil, rising popularity of self-care and expanding online e-business which makes the product available to large section of customers and will provide new opportunities for the global Tangerine Essential Oil industry. However, high cost of products and prevalence of certain side effects may impede market growth over the forecast period of 2021-2027.

The global Tangerine Essential Oil Market is analyzed across the key regions such as Asia Pacific, North America, Europe, Latin America, and Rest of the World. Europe is the leading region across the world in terms of market share due to presence of established companies of cosmetics and pharmaceutical and increasing use of aromatherapy in the region. Whereas Asia Pacific is anticipated to exhibit the highest CAGR over the forecast period 2021-2027 due to the high consumption of natural ingredients and increasing awareness regarding the usage of essential oil through social media & e-commerce in the region.
