## **Abstracts**

Global Traveler Security Services Market is valued approximately USD XX billion in 2021 and is anticipated to grow with a healthy growth rate of more than XX % over the forecast period 2022-2028. Traveler security services are a collection of security services provided to government agencies, businesses, and families in order to ensure their safety whenever they travel to another country. The increasing use of social media has led the adoption of Traveler Security Services across the forecast period. For instance: as per Statista, May 2021, there were more than 1 billion Instagram monthly active users worldwide. And the increase in luxury travel is increase as the millennials are eager to spend more. According to the Hospitality Net, consumers earning more than USD 100,000 are driving the expansion of the luxury travel market in the United States. In 2021, 34% of the population has booked a vacation, up from 19% in 2020. Additionally, with the rising and high need for traveller services, the acceptance and demand for Traveler Security Services is expected to develop during the forecast period.. However, high costs of services might impede the growth of the market over the forecast period of 2022-2028.

The key regions considered for the global Traveler Security Services Market study includes Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the dominating region across the world in terms of market share owing to the increase of terrorist attacks and the COVID-19 pandemic measures imposed at airports have influenced passengers for opting of these services. Whereas, Asia-Pacific is anticipated to exhibit highest growth rate over the forecast period 2022-2028. Factors such as rising disposable income, increase in travel and tourism industry, rise in vendors for traveler security and emerging corporate sector would create lucrative growth prospects for the Traveler Security Services Market across Asia-Pacific region.
