Abstracts

Global Vegan women's fashion Market is valued approximately USD 449.8 billion in 2020 and is anticipated to grow with a healthy growth rate of more than 13.5 % over the forecast period 2021-2027. Vegan women's Vegan fashion is clothing and accessories made from cruelty-free sources, i.e., no animal products are used in making of these garments and gear. While Choosing vegan fashion makes sense for animal welfare and environmental reasons—and, particularly in the case of leather, often for social sustainability reasons too. Increasing the inclination of people towards cruelty-free fashion, prevention of cruelty to animals, anti-cruelty society, has led the adoption of Vegan women's fashion across the forecast period. As Strict laws against the animal cruelty such as prevention of cruelty to animal act led the market towards Vegan Fashion. For instance, as per fashion united, the US, UK, Germany and France are the countries investing the most on the vegan market; there has been a 75 percent increase in products in the UK year over year, While the US has seen an 11 percent growth. However, initial cost of the products and growing inflation impedes the growth of the market over the forecast period of 2021-2027. Also, cultural trends, latest styles led the adoption & demand for vegan women's fashion is likely to increase the market growth during the forecast period.

In regional analysis of global Vegan women's fashion market the key regions such as Asia Pacific, North America, Europe, Latin America and Rest of the World are being

consider. Europe is the leading region across the world in terms of market share owing to the acceptance of fur-free fashion apparel by a number of renowned brands which is having a trickling down effect on the fashion industry of developed countries. Whereas, Asia-Pacific is anticipated to exhibit highest growth rate over the forecast period 2021-2027. Factors such as rising disposable income and consumer spending on luxury products would contribute strong growth prospects for the vegan women's fashion market across Asia-Pacific region.
