Abstracts

North America ATM Market to reach USD xxx billion by 2025.

North America ATM Market valued approximately USD xxx billion in 2016 is anticipated to grow with a healthy growth rate of more than 6.82% over the forecast period 2017-2025. Increasing use of automated systems is the driver for the ATMs market growth in North America. In order to avoid long queues in banks for mundane activities such as withdrawals, transfers and depositions. Thus the financial institutions are extensively promoting ATM services; this would save transactional time for customers. In order to restrain the case of frauds, ATM manufacturers and financial institutions together are choosing anti-skimming, biometric devices, and voice recognition systems. This would increase the demand for automated devices which would lead to give a steady rise to the ATM industry Thus, leading to the market growth.
