Global Oral Care Market to reach USD 254.7 billion by 2025.

Global Oral Care Market valued approximately USD 16 billion in 2016 is anticipated to grow with a healthy growth rate of more than 36% over the forecast period 2017-2025. There is also an increase in awareness amongst people about cosmetic dental treatment, which helps improve esthetics, and maintaining fresh breath; these factors are also positively impacting the demand of oral care products. Cosmetic whitening products are being widely used by people in order to enhance their dental esthetics. Some of the cosmetic whitening products include Arm & Hammer Whitening Booster by Church & Dwight Co. Inc. and Complete Care Whitening Pen and Complete Care Curve + Whitening by Dr. Fresh, LLC. High incidence of dental caries is also significantly driving the growth of the market.
