Abstracts

Outdoor Furniture Market valued approximately USD XXX billion in 2017 is anticipated to grow with a healthy growth rate of more than XX% over the forecast period 2018-2025. Outdoor furniture is basically a type of furniture such as tables and chairs, which are intended to use for outdoor purposes. This kind of furniture is also used for decoration. The market for outdoor furniture is primarily driven by changing lifestyle and growth in purchasing power of consumers. Furthermore, rising adoption of the furniture owing to intensifying hospitality industry, public places such as gardens, and business spaces are further aiding the growth of the market. Major players are continuously improving their product designs and collection to cater the demand of the furniture. In addition to this, escalating number of tourists in diverse places like historical monuments, hill stations and natural places has resulted in increased number of resorts and hotels in those places, which is further expected to surge the demand for outdoor furniture. On the other hand, high cost associated with the material may pose significant challenge to the growth of the market.

The regional analysis of Outdoor Furniture Market is considered for the key regions such as Asia Pacific, North America, Europe, Latin America and Rest of the World. In region such as Asia-Pacific, Middle-East and Africa, rise in usage of passenger vehicles set the growth in Outdoor Furniture Market over the forecasted period 2018-2025.
