Abstracts

Alternative Legal Service Providers (ALSPs) are organizations or businesses that offer specialized legal services outside the traditional law firm model. They typically provide cost-effective and innovative legal solutions by leveraging technology, process efficiency, and non-traditional staffing. ALSPs often focus on services such as e-discovery, document review, legal research, compliance, and contract management. They cater to law firms, corporations, and government entities, enabling them to outsource certain legal tasks, reduce overhead, and improve efficiency. ALSPs have gained popularity as a way to meet the growing demand for legal services in a more flexible and affordable manner.

The global Alternative Legal Service Providers Alsps market size was estimated at USD 31200.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 8.50% during the forecast period.
