Report Overview

Adult pants type diapers, also known as adult pull-up pants or briefs, are similar to the pants type diapers designed for children, but they are specifically designed for adults who have urinary incontinence or bowel incontinence. These diapers are made of soft, breathable materials and have elasticated waistbands and leg cuffs that provide a snug, comfortable fit. Adult pull-up pants come in a variety of sizes and absorbency levels, so that individuals can choose the one that best suits their needs. They can be worn discreetly under clothing and are a convenient solution for those who experience occasional or frequent incontinence.
