Advertising Insurance, more commonly referred to as Media Liability Insurance or Errors and Omissions (E&O) Insurance for advertising agencies, is a specialized type of professional liability coverage. It is designed to protect advertising, marketing, and media firms from financial losses resulting from claims of negligence, errors, or omissions in the professional services they provide. This insurance is crucial for safeguarding against claims such as copyright infringement, plagiarism, defamation, invasion of privacy, or breach of contract. It covers the legal costs and potential damages associated with these types of lawsuits.

The global Advertising Insurance market size was estimated at USD 25200.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 4.00% during the forecast period.

This report offers a comprehensive and in-depth analysis of the global Advertising Insurance market, covering all critical facets from a broad macroeconomic overview to detailed micro-level insights. It examines market size, competitive landscape, emerging development trends, niche segments, key drivers and challenges, as well as conducts SWOT and value chain analyses.

The insights provided enable readers to understand the competitive dynamics within the industry and formulate effective strategies to enhance profitability and market positioning. Additionally, the report presents a clear framework for evaluating the current status and future outlook of business organizations operating in this sector.

A significant focus of this report lies in the competitive landscape of the global Advertising Insurance market. It offers detailed profiles of major players, including their
