Report Overview

Automotive Cover Clothes, or Car Covers belong to protection products. A car cover will keep your paint from fading and scratching, your interior from discoloring and cracking, and vinyl and convertible tops from disintegrating. A car cover will also protect your car from getting dirty and wet during rainy and snowy seasons.

A car cover is also a deterrent that helps keep your vehicle safe from car thieves by keeping the contents inside your vehicle out of plain sight. If a thief wants to steal your car, the extra time to remove your car cover can be the difference of them getting caught or not. With so many other uncovered cars, your vehicle is much less likely to be meddled with than another vehicle without a car cover.
