The top layer of a quilt is crafted from many different pieces of fabric stitched together into the complex patterns. The batting is an artistic endeavor, as well as a means of production. A traditional quilt has three layers: top, batting, and bottom. Is a thin inner layer of wool or down, and the bottom is usually a solid piece of fabric. The quilter stitches through all three layers, creating the familiar quilted look of this ancient art form. Traditional American quilt designs include a double wedding ring, Log cabin, patchwork, and flying geese. Quilt color schemes can be bright and varied, or a mix of subtle colors, or a colored pattern on a white or solid background.
