Abstracts

A casino hotel is an establishment consisting of a casino with temporary lodging provided in an on-premises hotel. Customers receive the benefits of both gambling facilities and lodging. Since the casino and hotel are located on the same premises, a gambler's necessities can be provided for in one location. The casino may offer common forms of gambling including slot machines, table games, and sports betting. The hotel, nearby or directly connected to the casino, provides lodging and may include other popular services such as food and beverages, valet parking, a swimming pool, health club, and on-site entertainment. Many casino hotels in popular destinations such as the Las Vegas Strip and Atlantic City, New Jersey, operate as resort hotels with additional services such as upscale lodgings, ballrooms, and large conference facilities. Such establishments recruit their gambling accommodations with workers to manage not only all the game processes but also more common entertainment elements for which they need choreographers, conjurers, and streamers.The global casino hotel market is undergoing significant transformation driven by changes in consumer preferences, advancements in technology, and regional growth opportunities.Macau and Singapore: Asia-Pacific, especially Macau, remains a dominant market in casino hotels, driven by high demand from Chinese tourists. Singapore’s Marina Bay Sands and Resorts World Sentosa are also popular, benefiting from the region’s tourism growth.Emerging Markets: Countries like Japan, the Philippines, and Vietnam are expanding their casino hotel industries, aiming to attract international tourists and compete with established destinations.Global key players of Casino Hotel include MGM Resorts, Caesars Entertainment, Las Vegas Sands, etc. Global top three players hold a share about 15%. Europe is the largest market of Casino Hotel, holds a share over 35%. In terms of product, the land casino Hotel holds a larger segment, with a share over 90%. And in terms of application, the largest application is tourist, with a share of over 50%.
