## Abstracts

Corporate flower subscription refers to the service of purchasing flowers in bulk on a regular or on-demand basis to meet the needs of office environment beautification, business event decoration, customer relationship maintenance or employee care. This service is usually provided by professional flower companies or flower suppliers, aiming to enhance the corporate image, create a good atmosphere and convey corporate culture through flowers. As corporate business activities become increasingly diversified and humanized, corporate flower ordering will develop in the direction of personalized customization, scenario-based application and sustainable environmental protection in the future. It will not only meet the needs of diverse scenarios such as meetings, celebrations, and employee care, but also achieve a deep integration of efficiency, convenience and eco-friendliness through intelligent flower selection systems, green packaging materials and regular delivery services, helping companies to shape a unique brand image and convey humanistic care.

The global Corporate Flower Subscription market size was estimated at USD 8124.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 6.30% during the forecast period.

This report offers a comprehensive and in-depth analysis of the global Corporate Flower Subscription market, covering all critical facets from a broad macroeconomic overview to detailed micro-level insights.
