Report Overview:

The best fetch toys for dogs are balls, sticks, discs, rope toys, rings and other toys that fly far when you throw them. Tennis ball-type dog fetch toys are a classic, and you can amp up the fun by using a dog ball launcher to make them go farther. Choose a disc or boomerang fetch toy for use in a park or wide-open yard. Rope and ring toys work both for fetch and tug-of-war, while stick-shaped toys are best for those pups who are always picking up sticks. You can really use any of your dog's favorite toys to play fetch, just make sure they're durable enough to withstand all that throwing and carrying around!
