Report Overview

A dog walking app is a mobile application that helps dog owners find professional, trusted dog walkers in their area. These apps typically allow users to browse through a list of local dog walkers, view their profiles and reviews, schedule walks, and make payments. The app may also include GPS tracking to monitor the walk in real-time and provide updates to the dog owner. Dog walking apps aim to make it convenient for busy dog owners to ensure their pets receive regular exercise and care even when they are unable to do it themselves.
