Abstracts

Event supply rental refers to the service of renting various items and equipment needed for events such as weddings, parties, corporate gatherings, and other occasions. This service provides temporary access to a wide range of items that can enhance the event experience without the need for permanent ownership. The party supply rental market is experiencing growth due to the increasing trend of people opting to rent items for various events and parties. Renting party supplies can be more cost-effective for individuals and businesses than buying items outright, especially for one-time events. The growing trend of hosting unique and personalized events is driving the demand for a variety of party supplies, which individuals may prefer to rent rather than buy. The overall increase in the number of events, including weddings, corporate events and private parties, has had a positive impact on the demand for party supplies rental services.

The global Event Supply Rental market size was estimated at USD 13360.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 10.40% during the forecast period.

This report offers a comprehensive and in-depth analysis of the global Event Supply Rental market, covering all critical facets from a broad macroeconomic overview to detailed micro-level insights. It examines market size, competitive landscape, emerging development trends, niche segments, key drivers and challenges, as well as conducts SWOT and value chain analyses.

The insights provided enable readers to understand the competitive dynamics within the industry and formulate effective strategies to enhance profitability and market positioning. Additionally, the report presents a clear framework for evaluating the current
