Abstracts

Exhibition design refers to the process of planning and creating visual and spatial experiences for exhibitions, fairs, museums, commercial events, etc. It covers the overall layout, visual communication, interactive elements and visitor movement design, aiming to effectively convey brand or theme information, attract audiences and increase participation. Booth design is a sub-area of ??exhibition design, focusing on designing independent display spaces for exhibitors (companies, institutions, etc.). This report focuses on the Exhibition and booth design market.Market drivers: Unique design improves recognition, and visitors judge the strength of enterprises through booths. Global demand, the Asia-Pacific market is growing rapidly, and localized design is the key. Environmental protection trends require sustainable materials, and modular design reduces costs.Main challenges: Rising construction costs, SMEs turn to shared booths. Insufficient data utilization, only a few companies can effectively integrate exhibition data with CRM systems. Compliance risks, new EU fire protection regulations, etc. increase the cost of material and structure certification.

The global Exhibition and Booth Design market size was estimated at USD 26510.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 5.70% during the forecast period.

This report offers a comprehensive and in-depth analysis of the global Exhibition and Booth Design market, covering all critical facets from a broad macroeconomic overview to detailed micro-level insights. It examines market size, competitive landscape, emerging development trends, niche segments, key drivers and challenges, as well as conducts SWOT and value chain analyses.

The insights provided enable readers to understand the competitive dynamics within the

industry and formulate effective strategies to enhance profitability and market positioning. Additionally, the report presents a clear framework for evaluating the current status and future outlook of business organizations operating in this sector.

A significant focus of this report lies in the competitive landscape of the global Exhibition and Booth Design market. It offers detailed profiles of major players, including their market shares, performance metrics, product portfolios, and operational status. This enables stakeholders to identify leading competitors and gain a nuanced understanding of market rivalry and structure.

In summary, this report serves as an essential resource for industry participants, investors, researchers, consultants, and business strategists, as well as anyone planning to enter or expand their presence in the Exhibition and Booth Design market.

Global Exhibition and Booth Design Market: Market Segmentation Analysis

This research report provides a detailed segmentation of the market by region (country), key manufacturers, product type, and application. Market segmentation divides the overall market into distinct subsets based on factors such as product categories, end-user industries, geographic locations, and other relevant criteria.

A clear understanding of these market segments enables decision-makers to tailor their product development, sales, and marketing strategies more effectively to meet the unique needs of each segment. Leveraging market segmentation insights can significantly enhance targeted approaches, optimize resource allocation, and accelerate product innovation cycles by aligning offerings with the specific demands of diverse customer groups.

Exhibition and Booth Design Market and its likely evolution in the short to mid-term, and long term.

Chapter 3 makes a detailed analysis of the market's competitive landscape of the market and provides the market share, capacity, output, price, latest development plan, merger, and acquisition information of the main manufacturers in the market.

Chapter 4 is the analysis of the whole market industrial chain, including the upstream and downstream of the industry, as well as Porter's five forces analysis.

Chapter 5 introduces the latest developments of the market, the driving factors and restrictive factors of the market, the challenges and risks faced by manufacturers in the industry, and the analysis of relevant policies in the industry.

Chapter 6 provides the analysis of various market segments according to product types, covering the market size and development potential of each market segment, to help readers find the blue ocean market in different market segments.

Chapter 7 provides the analysis of various market segments according to application, covering the market size and development potential of each market segment, to help readers find the blue ocean market in different downstream markets.

Chapter 8 provides a quantitative analysis of the market size and development potential of each region and its main countries and introduces the market development, future development prospects, market space, and capacity of each country in the world.

Chapter 9 shares the main producing countries of Exhibition and Booth Design, their output value, profit level, regional supply, production capacity layout, etc. from the supply side.

Chapter 10 introduces the basic situation of the main companies in the market in detail, including product sales revenue, sales volume, price, gross profit margin, market share, product introduction, recent development, etc.

Chapter 11 provides a quantitative analysis of the market size and development potential of each region in the next five years.

Chapter 12 provides a quantitative analysis of the market size and development potential of each market segment in the next five years.

1 RESEARCH METHODOLOGY AND STATISTICAL SCOPE

1.1 Market Definition and Statistical Scope of Exhibition and Booth Design
1.2 Key Market Segments
  1.2.1 Exhibition and Booth Design Segment by Type
  1.2.2 Exhibition and Booth Design Segment by Application
1.3 Methodology & Sources of Information
  1.3.1 Research Methodology
  1.3.2 Research Process
  1.3.3 Market Breakdown and Data Triangulation
  1.3.4 Base Year
  1.3.5 Report Assumptions & Caveats

2 EXHIBITION AND BOOTH DESIGN MARKET OVERVIEW

2.1 Global Market Overview
2.2 Market Segment Executive Summary
2.3 Global Market Size by Region

3 EXHIBITION AND BOOTH DESIGN MARKET COMPETITIVE LANDSCAPE

3.1 Company Assessment Quadrant
3.2 Global Exhibition and Booth Design Product Life Cycle
3.3 Global Exhibition and Booth Design Revenue Market Share by Company (2020-2025)
3.4 Exhibition and Booth Design Market Share by Company Type (Tier 1, Tier 2, and Tier 3)
3.5 Headquarters, Areas Served, and Product Types of Major Players
3.6 Exhibition and Booth Design Market Competitive Situation and Trends
  3.6.1 Exhibition and Booth Design Market Concentration Rate
  3.6.2 Global 5 and 10 Largest Exhibition and Booth Design Players Market Share by Revenue
  3.6.3 Mergers & Acquisitions, Expansion
