Report Overview

Franchise resale refers to the process of selling an existing franchise business to a new owner. It involves transferring the rights and responsibilities of the franchise agreement from the current franchisee to a new individual or entity. The new owner takes over the operations, assets, and liabilities of the franchise, including the brand name, trademarks, business systems, and customer base. Franchise resale can be an attractive option for individuals who want to enter the franchising industry but prefer to acquire an established business rather than starting from scratch.

The global Franchise Resale market size was estimated at USD 3328000 million in 2023 and is projected to reach USD 6016232.23 million by 2032, exhibiting a CAGR of 6.80% during the forecast period.

North America Franchise Resale market size was estimated at USD 971216.34 million in 2023, at a CAGR of 5.83% during the forecast period of 2024 through 2032.
