### Report Overview

Human Resource Outsourcing is a contractual agreement between an employer and an external third-party provider whereby the employer transfers the management of, and responsibility for, certain HR functions to the external provider. Many types of HR outsourcing options are available to employers. The options can be as specific as outsourcing one particular aspect of one HR function—such as applicant tracking for affirmative action purposes—or as broad as outsourcing the entire human resource department. HR outsourcing helps an organization to gain cost and time efficiencies and provides cutting edge over their human resource strategies and improves services to their employees.

The global Human Resource Outsourcing (HRO) Services market size was estimated at USD 15340 million in 2023 and is projected to reach USD 24625.83 million by 2032, exhibiting a CAGR of 5.40% during the forecast period.

North America Human Resource Outsourcing (HRO) Services market size was estimated at USD 4375.75 million in 2023, at a CAGR of 4.63% during the forecast period of 2024 through 2032.
