Abstracts

K-12 (kindergarten through 12th grade) is the term commonly used for talking about a person’s first 13 years of schooling before entering university. It also refers to the Elementary and Secondary education. Elementary education starts at the age of five or six. Secondary education is for children aged 12 to 18. Secondary school generally takes place in a high school, which is often divided into junior and senior high. Junior high is for those aged 12 to 15 and senior high for students aged 15 to 18.Online education is quite different from the traditional concept of education, which involves a school building, a classroom with rows of desks, and a teacher standing next to a chalkboard. Online education offers students more one-on-one time with their instructors. And, most K-12 online programs are inexpensive or even tuition-free.The major players in global Gum Arabic (E414) market include K12 Inc, Pearson, New Oriental Education & Technology, etc., and the market concentration rate is low. North America and Europe are main markets, they occupy about 40% of the global market. Elementary education(Grades 1-5) is the main type, with a share about 45%. Student is the main application.

The global K-12 Online Education Service market size was estimated at USD 9346.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 8.00% during the forecast period.
