## Abstracts

### Report Overview:

Libido gummies are daily supplements that can help bring our sexual desire and drive back with continuous usage. Most pack some sort of stress-reducing ingredient (think Ashwagandha or L-theanine) and many are designed to boost hormones like testosterone to increase arousal. Some libido gummies also include CBD which can sometimes help with pain relief and anxiety reduction, as studies show. For men, libido gummies may make getting and maintaining an erection quicker and easier. Women who take the gummy supplement report increased arousal and vaginal lubrication. Not all gummies that treat low libido work the same way, and some may fall short of expectations.
