Report Overview

Licensing means renting or leasing of an intangible asset. It is a process of creating and managing contracts between the owner of a brand and a company or individual who wants to use the brand in association with a product, for an agreed period of time, within an agreed territory. Licensing is used by brand owners to extend a trademark or character onto products of a completely different nature. In a Licensed Merchandise transaction, an artist, designer, trademark owner or celebrity (the 'licensor') grants a license to a manufacturer or retailer (the 'licensee') to manufacture and sell articles of merchandise which use the property that is the subject of the license, in exchange for a royalty from sales of those articles of merchandise. Typical licensed properties include artwork, characters, trademarks, celebrity names and likenesses, and book and movie titles.
