### Report Overview

LVT is an acronym for 'luxury vinyl tile.' It is a marketing term used by numerous companies to describe their vinyl flooring that is decoratively patterned to emulate the look of natural wood, granite or other types of flooring. There is no exact definition of the term, only generalities. It is not actually a separate category of tiling, simply a way of describing standard vinyl tiling that has been designed to match natural flooring.

Global LVT Flooring key players include Tarkett, Armstrong, Mohawk, etc. Global top three manufacturers hold a share about 30%.

European Union is the largest market, with a share about 45%, followed by USA and China, both have a share over 40 percent.

In terms of product, Flexible Luxury Vinyl Tile (LVT) is the largest segment, with a share about 70%. And in terms of application, the largest application is Residential Use, followed by Commercial Use.

Bosson Research's latest report provides a deep insight into the global LVT Flooring market covering all its essential aspects. This ranges from a macro overview of the market to micro details of the market size, competitive landscape, development trend, niche market, key market drivers and challenges, SWOT analysis, Porter's five forces analysis, value chain analysis, etc.

The analysis helps the reader to shape the competition within the industries and strategies for the competitive environment to enhance the potential profit. Furthermore, it provides a simple framework for evaluating and accessing the position of the business organization.
