Abstracts

A marketing audit is a systematic, objective review of an organization's marketing function to verify marketing systems are accurate, relevant, reliable, and aligned with defined processes and best practices. This review helps marketers determine whether marketing strategies, tactics, systems, or processes should be adjusted to improve marketing results or operational consistency.

The global Marketing Audit market size was estimated at USD 1352.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 6.10% during the forecast period.

This report offers a comprehensive and in-depth analysis of the global Marketing Audit market, covering all critical facets from a broad macroeconomic overview to detailed micro-level insights. It examines market size, competitive landscape, emerging development trends, niche segments, key drivers and challenges, as well as conducts SWOT and value chain analyses.

The insights provided enable readers to understand the competitive dynamics within the industry and formulate effective strategies to enhance profitability and market positioning. Additionally, the report presents a clear framework for evaluating the current status and future outlook of business organizations operating in this sector.

A significant focus of this report lies in the competitive landscape of the global Marketing Audit market. It offers detailed profiles of major players, including their market shares, performance metrics, product portfolios, and operational status.
