### **Report Overview**

Meetings, incentives, conventions, and exhibitions or MICE represents a sector of tourism that includes business events and activities. Travelers attending MICE activities have a purpose beyond leisure tourism, and are in fact business travelers. These business travelers are connected to different sectors of the tourism and hospitality industry through their MICE activities. In general, MICE events are events and activities that involve attendees who share a common interest and gather in a place. The place for the gathering needs to be a venue arranged beforehand. The venue will provide space and facilities necessary to satisfy the needs of those who attend the gathering.

This report provides a deep insight into the global Meetings, Incentives, Conferences and Exhibitions (MICE) market covering all its essential aspects. This ranges from a macro overview of the market to micro details of the market size, competitive landscape, development trend, niche market, key market drivers and challenges, SWOT analysis, value chain analysis, etc.

The analysis helps the reader to shape the competition within the industries and strategies for the competitive environment to enhance the potential profit. Furthermore, it provides a simple framework for evaluating and accessing the position of the business organization. The report structure also focuses on the competitive landscape of the Global Meetings, Incentives, Conferences and Exhibitions (MICE) Market, this report introduces in detail the market share, market performance, product situation, operation situation, etc. of the main players, which helps the readers in the industry to identify the main competitors and deeply understand the competition pattern of the market.
