Report Overview

Moon cakes are a carrier of thousands of years of historical tradition in our country, and they are the crystallization of etiquette, emotion and culture. In the eyes of Chinese people, eating moon cakes every Mid-Autumn Festival has become a custom, a habit, and a fixed pattern. Mooncake sales suffered a severe blow in 2013-2014, because the central government banned officials from giving and receiving high-end mooncakes. The warning from the Chinese government led to a decline in mainland mooncake sales in the past two years.
