## Abstracts

Padel is a racquet sport. It is different from the sport known in the US and Canada as paddle tennis. Padel is typically played in doubles on an enclosed court roughly 25% smaller than the size of a tennis court. Scoring is the same as normal tennis and the balls used are similar but with a little less pressure. Global key players of padel sports include Wilson, Head, Babolat and Dunlop. Global top four manufacturers hold a share about 56%. At the consumption level, Europe has the largest sales market, with a market share of about 50%. In terms of product, padel racquets is the largest segment, with a share about 93%. And in terms of channel, the largest channel is online sales, with a share about 66%.

The global Padel Sports market size was estimated at USD 256.0 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 7.50% during the forecast period.

This report offers a comprehensive and in-depth analysis of the global Padel Sports market, covering all critical facets from a broad macroeconomic overview to detailed micro-level insights. It examines market size, competitive landscape, emerging development trends, niche segments, key drivers and challenges, as well as conducts SWOT and value chain analyses.

The insights provided enable readers to understand the competitive dynamics within the industry and formulate effective strategies to enhance profitability and market positioning. Additionally, the report presents a clear framework for evaluating the current status and future outlook of business organizations operating in this sector.
