## Abstracts

### Report Overview

Specialty spirits are region-specific traditional spirits. Baijiu in China, soju in South Korea, sochu in Japan, Cachaça in Brazil, and raki in Turkey are some of the popular specialty spirits.

The APAC region has the biggest market share in the specialty spirits market with China and Thailand as the largest markets. Even with the ban on advertising alcohol, specialty spirits are doing well based on personal recommendations. The introduction of new brands and flavors, which specifically targets the female consumer demographic, is an important growth-promoting factor for this market. Artisan brands are also gaining ground in this region due to their unique flavor.

Bosson Research's latest report provides a deep insight into the global Specialty Spirits market covering all its essential aspects. This ranges from a macro overview of the market to micro details of the market size, competitive landscape, development trend, niche market, key market drivers and challenges, SWOT analysis, Porter's five forces analysis, value chain analysis, etc.
