Report Overview

Wearable Manicure is a nail art that can be worn and removed anytime, anywhere, is easy to carry, and is easy to wear. It is different from traditional nail art in that it has high flexibility and can be reused. It takes a long time to do a traditional manicure, and the chemical components in nail polish have an impact on nail health. It is more time-saving to directly apply glue on the nails to stick on the nails, and most of them use jelly glue, which is healthier to use.

Wearable manicure is easy to wear anytime, anywhere.
