Abstracts

Guaranteed Asset Protection (GAP) insurance or Gap insurance is a type of auto insurance that car owners can buy to protect themselves against losses that can arise when the amount of compensation received from a total loss does not fully cover the amount the insured owes on the vehicle's financing or lease agreement. This situation arises when the balance owed on a car loan is greater than the book value of the vehicle.

The global Guaranteed Asset Protection Gap Insurance market size was estimated at USD 1780.5 million in 2025 and is projected to grow at a compound annual growth rate (CAGR) of 7.25% during the forecast period.

This report offers a comprehensive and in-depth analysis of the global Guaranteed Asset Protection Gap Insurance market, covering all critical facets from a broad macroeconomic overview to detailed micro-level insights. It examines market size, competitive landscape, emerging development trends, niche segments, key drivers and challenges, as well as conducts SWOT and value chain analyses.

The insights provided enable readers to understand the competitive dynamics within the industry and formulate effective strategies to enhance profitability and market positioning. Additionally, the report presents a clear framework for evaluating the current status and future outlook of business organizations operating in this sector.

A significant focus of this report lies in the competitive landscape of the global Guaranteed Asset Protection Gap Insurance market. It offers detailed profiles of major players, including their market shares, performance metrics, product portfolios, and operational status. This enables stakeholders to identify leading competitors and gain a
