Report Overview

Outdoor pool lighting refers to a specialized category of lighting fixtures and systems designed to illuminate swimming pools and their surrounding areas during nighttime or low-light conditions. These lighting solutions are engineered to provide safety, enhance the aesthetic appeal of the pool area, and create a comfortable and inviting ambiance for users. Outdoor pool lighting typically includes a variety of options such as in-water, above-water, and landscape lighting, each serving a specific purpose. Landscape lighting, on the other hand, is used to highlight walkways, plants, and other features around the pool.
