Abstracts

The Executive Summary is from CCM's Report 2016 Top 100 Pesticide Enterprises in China, the first edition finished in June 2016.

In 2015, the total revenue from the global pesticide industry reached USD58.18 billion, down by 8% YoY, according to Phillips McDougall. This has taken a toll on China's exports of pesticides. In addition, China, as a large herbicide producer, suffered heavy hit from the depressed domestic herbicide market.

This executive summary mainly states the ranking lists of the China's pesticide industry and the revenue of the pesticide enterprises in China.

This executive summary briefs you an overview over the report and provides concise descriptions of above-mentioned aspects.
