## Abstracts

### Description:

CCM has finished a market report named Production, Market and Manufacturing Cost of Sugar Alcohols in China in Jun 2010. In order to meet clients' different demands and provide more low-price products, we separated it into many sub-reports with different specific themes. Benchmarking Analysis of Leading Sugar Alcohol players in China is one of the sub-reports.

The aim of this report is to provide powerful assistance to the strategy group and the management team in making correct decision as how to penetrate the ever-increasing China market and how to catch the maximum commercial opportunities. The report is formulated independently by CCM's professional market researchers, based on the first-hand and primary data which are analyzed by scientific methodology, confirmed with both manufacturers/end users/traders and legal authorities, and presented in a logic way.
