Abstracts

Description

From 2008 to 2011, China's flutriafol output has been increasing continuously, But the flutriafol capacity is relatively low, owing to the weak demand for flutriafol in the domestic market.

In China, more than 84% of the flutriafol capacity is concentrated in Jiangsu Province. In this report, you can learn about the production situation of flutriafol in China in 2008-2012.

From Jan. 2011 to July 2012, the ex-work price of flutriafol 95% TC has witnessed a general downtrend in China. In this report, you can know about it in depth.

The export volume of flutriafol 95% TC made a great rebound in 2011. In this report, you can know about the export situation of flutriafol technical and formulations in China in 2011.

This report mainly focuses on the following aspects:

Production situation in China in 2008-2012

Ex-work prices of flutriafol 95% TC and 250g/L EC in China in Jan.2011-July 2012

Situation of flutriafol technical producers in China in 2011-2012

Export situation of flutriafol technical and formulations in China in 2011.

Brief comments

Flutriafol Survey in China is CCM International's first edition report on Chinese flutriafol industry, finished in September 2012. This intelligent report attaches importance to the following parts:

Supply situation of flutriafol (capacity, output and key manufacturers)

Ex-work prices of flutriafol technical, 25% SC and 12.5% SC in Jan.2011-July 2012

Export situation of flutriafol technical and formulations in 2011

What are the objects of this report?

To provide readers with comprehensive & in-depth understanding of the Chinese flutriafol industry

To identify the major suppliers of flutriafol in China;

To survey the current production situation of flutriafol technical;

To discuss and analyze the ex-work price fluctuation

What can readers benefit from the report?

Obtaining the latest info of flutriafol, such as its production status, supply, price and so on;

Understanding the actual production situation, pricing, trade to help grasp commercial opportunities.

Contents

1 EXECUTIVE SUMMARY

2 METHODOLOGY

3 PRODUCTION

3.1 Production of flutriafol technical (2008-2012)

3.2 Production of flutriafol formulations (2008-2011)

4 EXPORT (2008-2011)

5 PRICE (2011-2012)

6 PRODUCER (2011-2012)
