## Abstracts

### Description

The capacity and the operating rate of thiamethoxam technical in China in 2011 are small and the output volume of thiamethoxam formulations of Chinese national manufacturers is only about 400 tonnes in 2011. In addition, the ex-works price of thiamethoxam technical has decreased significantly from 2009 to 2012.

Syngenta's patent of thiamethoxam will expire on July 21, 2013, which may greatly influence the market supply and demand of thiamethoxam in the future.

CCM International's this thiamethoxam report mainly focuses on the following aspects:
