Abstracts

List of 2018 China Top 100 Pesticide Enterprises by pesticide revenue was released and enterprises got awarded at the 5th Analysis Meeting of Economic Operation in Pesticide Industry. The top 100 pesticide enterprises enjoyed a great improvement generally, whose total revenue increased by 40.40% year on year. The threshold for the top 100 finalists in revenue increased by 27.89% compared with last year. In 2017, influenced by supply-side structural reform and normalization of environmental inspection, polarization became obvious in pesticide industry. Significant increase was witnessed in production and performance of preponderant enterprises, to which listed enterprises made an indispensable contribution. Among these listed enterprises, Hubei Sanonda Co., Ltd., the first enterprise whose primary business of pesticide sales exceeded RMB10 billion in China, ranked first. Apart from these satisfactory achievements, how about the financial performance and major events of these listed pesticide enterprises in 2017? In this monthly report, 15 listed agrochemical enterprises are selected from the top 100 enterprises for research by CCM. Their financial data and major events were introduced in the report. Besides, corresponding rankings were given according to their operating ability, profitability and debt paying ability in 2017.
