## Abstracts

### Description:

CCM has finished a market report named Production, Market and Manufacturing Cost of Sugar Alcohols in China in Jun 2010. In order to meet clients' different demands and provide more low-price products, we separated it into many sub-reports with different specific themes. Import and Export Situation of Sugar Alcohols in China is one of the sub-reports.

More and more global buyers intend to import sugar alcohols from China in recent years for lower price and better quality, export volume of sugar alcohols has witnessed an uptrend. In 2009, China imported only xx tonnes sugar alcohols, while xx tonnes sugar alcohols are exported, which slightly decreases compared with that of 2008 due to the impact of global financial crisis. The US, Europe and Southeast Asia are the major exporting destinations.
