## Abstracts

The Executive Summary of Production and Market of chlorpyrifos in China is from CCM's report Production and Market of chlorpyrifos in China, which is finished on 12 May, 2015.

China has become the largest chlorpyrifos supplier in the world and home-made chlorpyrifos has dominated the domestic market. Moreover, with low price and good quality, home-made chlorpyrifos has been expanding into the global market rapidly since 2006. Since 2007, China has ended the import of 3,5,6-trichloropyridin-2-ol sodium (STCP), an important intermediate for chlorpyrifos production, and begun to explore the overseas market.

This Executive Summary mainly states the production, technology, export, price and demand of chlorpyrifos in China, among which, the price and demand saw an uptrend in the past few years. And it also gives the forecast of consumption, export and output of chlorpyrifos in China during 2015-2019.

The Executive Summary of Production and Market of chlorpyrifos in China briefs you some major market information of chlorpyrifos in China, helping you to adjust your strategy to face the future change of chlorpyrifos market.
