## Abstracts

The Executive Summary of Production and Market of Pentaerythritol in China is from CCM's report Production and Market of Pentaerythritol in China, which is finished on 22 July, 2015.

China is the largest pentaerythritol producer in the world and the development of China's pentaerythritol tend to be gentle in recent years. However, with the strict requirement to the environment protection, many producers cut their production or even suspended production for reducing the production cost.

This Executive Summary mainly states the production, import and export situation of pentaerythritol in China in 2014 and also analysis the reasons for the price trend of import and export.

The Executive Summary of Production and Market of Pentaerythritol in China briefs you the major market information of China's pentaerythritol, helping you to make decision for the next step.
