Abstracts

The report looks at xylitol in the past, at present and in the future, especially about its production situation, price, import & export situation, consumption situation and technology. Except that, xylitol manufacturing cost in key producers is also discussed and analyzed. SWOT analysis about the key producers is conducted. From xylose purchasing point of view, the relationships between xylose manufacturers and xylitol manufactures are disclosed. Through bottom-up research, the consumption volume of xylitol in each field and sub-field is revealed. All the active manufacturers are profiled.

Contents

Executive Summary
Methodology & Sources
