## Cement Industry Market Research (China)

Date:	February 1, 2008
Pages:	174
Price:	US\$ 2,250.00
ID:	C303F15F845EN

Instruction: the report involves statistics, research and analysis of major cement enterprises in China, including Hailuo Cement of Anhui, Yidong Cement Group of Hebei, Beijing Jinyu Group, Tianshan Cement Stock limited company of Sinkiang, Huaxin Cement Stock limited company, Evergreen Cement Stock limited company of Jiangxi, Cement Stock limited company of Fujian and Double-horse Stock limited company of Sichuan, etc.

### Table of Content

#### **CHAPTER 1 IDENTIFICATION OF CEMENT INDUSTRY AND ANALYSIS ON ITS INVESTMENT CHARACTERISTICS**

##### Section I. Analysis on Basis Features of Cement Industry

- I. Regional characteristic of cement market
- II. Periodicity of cement production
- III. Scale effect of cement industry
- IV. Cement industry is a labor-intensive, resource-intensive and high-energy-consuming industry

##### Section II. Analysis and evaluation on China's macro-control policy of cement industry

- I. Macro-control policies and goals of China's cement industry in 2010
- II. Analysis on the impact of macro-control of cement industry

#### **CHAPTER 2 OPERATING STATUS FOR CHINESE CEMENT INDUSTRY**

##### Section I. Analysis on cement enterprises overall operation from 2003 to 2007

- I. Industry scale
- II. Situation of loss
- III. Profit capacity index
- IV. Business development capacity

##### Section II. Comparative Analysis on Different Scale Enterprises

- I. Comparative analysis on the number and loss of enterprises with different sizes from 2005 to 2007
- II. Comparative analysis on the income and profit of enterprises with different sizes from 2005 to 2007

##### Section III. Comparative analysis on enterprises with different features

- I. Comparative analysis on the number and loss of enterprises with different features from 2003 to 2007
- II. Comparative analysis on the income and profit of enterprises with different features from 2005 to 2007

##### Section IV. Analysis on Regional Concentration

- I. Analysis on regional sales and its concentration from 2005 to 2007
- II. Analysis on regional profitability and concentration from 2005 to 2007

##### Section V. Problems Exists in China's Cement Industry

- I. Structure is to be optimized
- II. Unbalanced development
- III. Serious resource waste

## **CHAPTER 3 ANALYSIS ON MAJOR CEMENT INDUSTRY**

- Section I. Prosperous Development of Precalciner Kiln(New dry process kiln)
- Section II. Analysis on China Bulk Cement Market Situation
  - I. Development Feature and Resistance of Bulk Cement
  - II. Analysis on China's bulk cement market from 2005 to 2007
  - III. Analysis on bulk cement development situation in 2006

## **CHAPTER 4 ANALYSIS ON SUPPLY AND DEMAND STATUS OF CEMENT INDUSTRY**

- Section I. Analysis on Status of Domestic Supply
  - I. The analyses of China's cement output increase trend from 2003 to 2006
  - II. The analyses of the cement production area distributing of our country in 2005
- Section II. China's Cement Production Capacity and Leading enterprise' Production Capacity
  - I. The cement production capacity situation form 2003 to 2007
  - II. China's cement production capacity rank in 2007

## **CHAPTER 5 ANALYSIS ON DEMANDS OF CHINA'S CEMENT INDUSTRY**

- Section I. The analysis of influence factor on demand of China's cement industry
  - I. New country construction
  - II. The increasing speed of fixed assets investment is accelerating
  - III. Infrastructure construction
  - IV. Western development - the supporting motive of the cement need for a long time
  - V. The organization progress
  - VI. Real estate investment
  - VII. The construction of Beijing Olympic game facilities is launching
  - VIII. Afghanistan and Iraq reconstructed -theCement Industry extra their country's opportunity
- Section II. Analysis on Short and Long-Term General Demands of Cement Industry and Product Structure
  - I. Short and Long-Term General Demands of Cement Industry and Prediction
  - II. The product configuration analysis of the cement industry
  - III. The development foreground of the cement products industry in the coming 10 years

## **CHAPTER 6 AN ANALYSIS OF CEMENT INDUSTRY IMPORT AND EXPORT**

- Section I. An Analysis of the Situation of Domestic Cement Industry Import and Export
  - I. An analysis of the general situation of domestic cement industry import and export
  - II. An analysis of Chinese export destination countries
- Section II. Main Reasons Influencing Chinese Cement Export and Countermeasures
  - I. Main reasons influencing Chinese cement export
  - II. An analysis of cement export policies
  - III. Strategies for cement enterprises to take up the international market

## **CHAPTER 7 AN ANALYSIS OF KEY REGIONS OF CEMENT INDUSTRY DURING 2004-2007**

- Section I. An Analysis of Cement Industry Situation in Shandong
  - I. Development Status of Cement Industry in Shandong
  - II. An analysis of cement production situation in Shandong during 2003-2007
  - III. An analysis of the operating status of cement industry in Shandong during 2003-2007
- Section II. An Analysis of Cement Industry Situation in Zhejiang
  - I. Development Status of Cement Industry in Zhejiang
  - II. An analysis of cement production situation in Zhejiang during 2003-2007
  - III. An analysis of the operating status of cement industry in Zhejiang during 2003-2007
- Section III. An Analysis of Cement Industry Situation in Jiangsu
  - I. Development Status of Cement Industry in Jiangsu

- II. An analysis of cement production situation in Jiangsu during 2003-2007
- III. An analysis of the operating status of cement industry in Jiangsu during 2003-2007
- IV. A competitiveness analysis of cement industry of Jiangsu
- Section IV. An Analysis of Cement Industry Situation in Guangdong
  - I. Development Status of Cement Industry in Guangdong
  - II. An analysis of cement production situation in Guangdong during 2003-2007
  - III. An analysis of the operating status of cement industry in Guangdong during 2003-2007
  - IV. A competitiveness analysis of cement industry of Guangdong
- Section V. Analysis of Cement Industry Status in Hebei
  - I. The status of cement industry development in Hebei province
  - II. Analysis of 2003 - 2007 Hebei Province cement production situation
- Section VI. Analysis of Cement Industry Status in Anhui
  - I. The status of cement industry development in Hebei province
  - II. Analysis of 2003 - 2007 Anhui Province cement production situation
  - III. Analysis of 2003 - 2007 Anhui Province cement industry management situation
  - IV. Analysis of cement industry competitive ability in Anhui province

## **CHAPTER 8 ANALYSIS OF CHINESE CEMENT INDUSTRY COMPETITION**

- Section I Distribution and expansion of Chinese cement industry strategic groups
  - I. The large cement group types in our country
  - II. Different expansion form of different enterprises
- Section II. The division of Chinese cement region and the layout and situation of the region competition
  - I. The division of Chinese main cements demanding regions and demand scale
  - II. The competition situation of the main Chinese cement demanding regions
  - III. Future chance market forecast

## **CHAPTER 9 ANALYSIS OF FAMOUS ENTERPRISES IN CEMENT INDUSTRY**

- Section I. Analysis of the world's top ten enterprises
  - I. France Lafarge
  - II. Swiss Holcim Corporation
  - III. Mexican Cemex Corporation
  - IV. German Heidelberg cement Group Corporation
  - V. Italian Italy cement Group Corporation
  - VI. Japanese Taiheiyo Corporation
  - VII. Germany Dyckerhoff Corporation
  - VIII. English RMC Group Corporation
  - IX. Portuguese Cimpor Corporation
  - X. Italian BuzziUncem Corporation
- Section II. Hailuo Cement of Anhui
  - I. Hailuo Cement Group
  - II. Business Scope
  - III. Analysis of Management strategy and advantage of Hailuo Cement Group
  - IV. Business status analysis from 2003 to 2007
- Section III. Yidong Cement Group of Hebei
  - I. Brief introduction of Group
  - II. Development Opportunity of Yidong cement
  - III. Business Scope
  - IV. Analysis of management state in 2003-2007
  - V. 2007 Forecast of net profit growth compared with the same period of last year in Yidong Cement
- Section IV. Beijing Jinyu Group
  - I. Company Survey
  - II. Product structure
  - III. 2003-2007 Year Business status analysis

- IV. Development prediction
- Section V. Tianshan Cement Stock limited company of Sinkiang
  - I. Company Survey
  - II. Product structure
  - III. 2003-2007 Year Business status analysis
  - IV. Affiliated enterprises of Tianshan Cement
- Section VI. Huaxin Cement Stock limited company
  - I. Brief introduction of company
  - II. 2003-2007 Year Business status analysis
- Section VII. Evergreen Cement Stock limited company of Jiangxi
  - I. Brief introduction of enterprise
  - II. 2003-2007 Year Business status analysis
- Section VIII. Cement Stock limited company of Fujian
  - I. Company Survey
  - II. 2003-2007 Year Business status analysis
- Section IX. Double-horse Stock limited company of Sichuan
  - I. Enterprise Survey
  - II. Business scope
  - III. 2003-2007 Year Business status analysis

## **CHAPTER 10 SWOT ANALYSIS OF CEMENT INDUSTRY**

- I. Development advantage
- II. Development Disadvantage
- III. Development Opportunity
- IV. Development threat

## **CHAPTER 11 DEVELOPMENT STRATEGY ANALYSIS OF CEMENT ENTERPRISE**

- I. Lead and adjustment and control of macroscopic are still necessary for Industry development
- II. Countermeasure and suggestion of cement industry for sustainable development
