Lubricant Industry Market Research (China)

Date:	February 1, 2008
Pages:	125
Price:	US\$ 2,250.00
ID:	LD57B3D3D43EN

Instruction: the report involves statistics, research and analysis of major enterprises engaged in the lubricant industry in China, including Lubricant Company, Sinopec Corp, Greatwall Lube, Kunlun Lubricant, Beijing Tongyi Petrochemical Company Ltd., China Petroleum Dalian Petrification, China Petroleum Fushun Petrochemistry Suidiary, Jingxi Petrochemistry Subsidiary, China Petroleum Dushanzi Petrochemistry Suidiary, and so on.

Table of Content

CHAPTER 1 A SURVEY ON LUBRICATING OIL PRODUCT

Section I The Definition and Classification of Lubricating Oil

1. Definition of Lubricating Oil
2. Basic Classification
3. Classification of Lubricating Base Oil
4. Lubricating Oil Additives

Section II Introduction of Mainly Used Lubricating Oil

1. Internal Combustion Engine Oil
2. Gear Oil
3. Hydraulic Oil
4. Full Consumption System Oil
5. Lubricating Grease

CHAPTER 2 DEVELOPMENT OF INTERNATIONAL LUBRICATING OIL MARKET

Section I Industrial Situation of International Lubricating Oil

1. America Lubricating Oil Industrial Situation
2. European Lubricating Oil Industrial Situation
3. Japanese Lubricating Oil Industrial Situation
4. Lubricating Oil Industrial Situation of Other Countries in Asia-Pacific Region

Section II World Lubricating Base Oil Development

1. Overview of International Base Oil Market in 2007
2. Base Oil Orientation of World Oil Giants

Section III General Situation of International Internal Combustion Engine Oil Market

1. American Internal Combustion Engine Oil Market
2. European Internal Combustion Engine Oil Market
3. Asia Internal Combustion Engine Oil Market

Section IV International Engine Oil Market

1. American Engine Oil Market
2. European Engine Oil Market
3. Japanese Engine Oil Market

Section V Future Development of World Vehicle Lubricating Oil

CHAPTER 3 THE MARKET DEVELOPMENT ENVIRONMENT FOR CHINESE LUBE

Section I The development condition of Chinese automobile industry

1. Analysis of the production and sales of different types of Chinese automobiles between 2004-2007
2. Analysis on the Chinese automobile market from 2006 to 2007

Section II The Development Condition of Chinese Mechanical Industry

1. Analysis of the output production and sales condition of Chinese mechanical industry between 2004-2007
2. Analysis on the running condition of Chinese mechanical industry from 2006 to 2007

Section III The Policy Standard of Lube in China

1. China in need of its own lube industry standard
2. The debut of a new lube policy concerning middle-scale and heavy automobile
3. Association in the lube industry
4. The environmental protection policy of the company

CHAPTER 4 CURRENT SITUATION OF CHINA LUBRICANTS MARKET

Section I Summary of China Lubricants Market Development – China Lubricants Market Grows to Maturity

1. From the “Mixed-up” to the Tripartite Confrontation
2. Market Features

Section II Analysis of Balance between Supply and Demand of China Lubricant from 2003 to 2007

1. Analysis of Balance of Total Output and Sales China Lubricant Products from 2004 to 2007
2. The China Lubricant Output from 2002 to 2007
3. The Output Alternation of the Top 30 Lubricant Companies from 2004 to 2007
4. The Lubricant Output from 2004 to 2007 around the Country (by provinces and cities)

Section III Analysis of the Import & Export of China Lubricant from 2003 to 2007

1. Analysis of the Total Import & Export from 2002 to 2007
2. Analysis of the Import from 2003 to 2007
3. Analysis of the Export from 2003 to 2007

CHAPTER 5 ANALYSIS OF THE MAIN LUBRICANT PRODUCTS

Section I Internal Combustion Engine Oil Market

1. Current Situation of the China Internal Combustion Engine Oil
2. Demand structure and expectation of the China Internal Combustion Engine Oil Market
3. Competition Situation of China Internal Combustion Engine Oil Market
4. The Development Tendency of China Auto Engine Lubricant

Section II Gear Oil Market

1. The Development Status of the Gear Oil Market
2. Demand structure and expectation of Gear Oil
3. The Achievement and Direction of the Gear Oil Reach

Section III Hydraulic Fluid Market

1. The Development Status of the Hydraulic Fluid Market
2. The Status and Development Tendency of the Hydraulic Fluid Reach

Section IV Automatic Transmission Fluid (ATF) Market

1. The Development Status of the China ATF Market
2. The Status and Development Tendency of the ATF Reach

Section V Grease Lubricant Market

CHAPTER 6 CHINA AUTO LUBRICANT MARKET

1. Auto Lubricant leads the China Lubricant Market
2. The demand expectation of Civilian Vehicle Lubricant
3. Output of Various vehicles in China from 2004 to 2007

4. The Development of the Auto Lubricant in the World

CHAPTER 7 ANALYSIS ON CHINESE LUBRICATING OIL UPPER REACHES PRODUCT MARKET—LUBRICATING BASE OIL MARKET

Section I Production Situation of Chinese Lubricating Base Oil from 2002-2007

1. Supply Situation of Chinese Lubricating Base Oil
2. General Situation of Chinese Lubricating Base Oil Major Supplier Production Capacity from 2002-2007
3. General Situation of Chinese Lubricating Base Oil Production Growth from 2002-2007
4. Analysis on Market Demands of Chinese Lube Base Oil from 2003 to 2007

Section II General Situation of Chinese Lube Base Oil Import and Export from 2002 to 2007

1. Chinese Lube Base Oil Import Amount and Money from 2000 to 2007
2. Chinese Lube Base Oil Export Amount and Money from 2003 to 2007
3. Market Analysis Comment on Chinese Lube Base Oil Import from 2006 to 2007
4. Main Source Countries and Companies of Chinese Lube Base Oil Import

CHAPTER 8 LUBRICANT MARKET COMPETITION

1. The Situation of China's Lubricant Market Competition, the Positions of Strategical Groups and Their Market Shares
2. The Tripartition Structure is Changed because of Monarch's Being Merged by Shell
3. An Analysis of the Situation and Trend of China's High-end Lubricant Market Competition from 2003 to 2007
4. Major Competing Brands and Their Market Shares

CHAPTER 9 AN ANALYSIS OF BUSINESS STRATEGIES OF FAMOUS CHINESE ENTERPRISES

Section I Lubricant Company, Sinopec Corp

1. General information of the corporation
2. The Company's Operation and Yield information from 2003 to 2007
3. Greatwall Lube's Key to Success
4. An Analysis of the Competitive Strategies of the Great Wall Company
5. Great Wall Company's Market Competition Strategies

Section II Kunlun Lubricant

1. General Information
2. China Petroleum Lubricant Company's sales and output in 2003-2006
3. Advertisement Strategies

Section III Beijing Tongyi Petrochemistry Company Lt.

1. Overall Development of the Enterprise
2. The Company's Management and Output Situation 2002-2007
3. An Analysis of Tongyi's Lubricant Product Strategies

CHAPTER 10 THE ANALYSIS OF WORLD FAMOUS ENTERPRISES' CHINESE MARKETING STRATEGIES

Part I Shell lubricant

1. The development situation of shell in china
2. The output and operation situation in 2000-2007
3. International operation and quality sense
4. Shell's competition strategy in china

Part II BP lubricant

1. The development situation of BP in china
2. The operation situation of BP Lubricant China in 2005-2007
3. The development strategy of BP china
4. Dongfeng and BP to develop the lubricant market

5. The cooperation of Xinjiang Post and BP lubricant company

Part III Mobil lubricant

1. The development situation of Mobil in china
2. The output and operation situation in 2003-2007
3. The strategy layout of Mobil Lubricant in china
4. The market strategy of Mobil lubricant

Part IV Caltex Lubricant

1. Company profiles
2. The output and operation situation in 2003-2007
